

2018 NEW JERSEY FFA STATEWIDE COMMUNITY SERVICE PROJECT

Join the New Jersey FFA Association in an effort to collect books and support the youth in our state!

Reading and literacy skills are essential to development, but some children and teens do not have books to call their own. New Jersey FFA has partnered with the Bridge of Books Foundation for this year's Statewide Community Service Project!

The Mission of Bridge of Books

To provide an ongoing source of books to underserved children throughout New Jersey in order to support the development of literacy skills and encourage a love of reading.

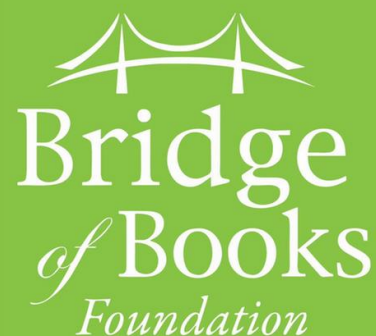

Get Involved!

Collect new or used books and bring them to the State FFA Convention. (Monetary donations will NOT be accepted.)

Chapters that participate in the Statewide Community Service Project will be recognized during the 2nd General Session of the 89th NJ FFA State Convention.
