6-8 Minute Prepared Public Speaking

2017-2021

The New Jersey FFA 6-8 Minute Prepared Public Speaking Leadership Development Event is designed to develop agricultural leadership, communication skills and promote interest in leadership and citizenship by providing member participation in agricultural public speaking activities.

Event Rules

- The New Jersey FFA 6-8 Minute Prepared Public Speaking Leadership Development Event will be limited to one participant from each chapter. This event is open to members in 7-12 grade.
- It is highly recommended that participants wear FFA Official Dress for this event.
- Each participant's manuscript will be the result of his or her own efforts. It is expected that the participant will take advantage of all available training facilities at his or her local school in developing his or her speaking ability. Facts and working data may be secured from any source but must be appropriately documented.
- Participants will report to the event room at the time and place shown in the current year's schedule of events.

Event Format

MANUSCRIPT

Speeches (with cover page to include Title of Speech, Name of Participant, Chapter, Name of Event and Year) are to be uploaded to the chapter's State Convention Participant List (via JotForm). Speeches are due April 9.

Manuscript requirements:

- Formatted to 8 1/2" x 11" double spaced with a 1" margin
- Cover page including the speech title, participant's name, chapter, name of event and year
- Font size must be 12 point using a serif (Times New Roman, Cambria, etc.) or sans serif font (Ariel, Calibri, etc.)
- Follow most current APA style guide for developing reference list and in text citations
- Manuscripts not meeting these guidelines will be penalized.

A complete and accurate reference list should be included in manuscript. All participants in the New Jersey FFA 6-8 Minute Prepared Public Speaking Leadership Development Event should give credit to others where any direct quotes, phrases or special dates are used in the manuscript, in order not to be guilty of plagiarism.

SUBJECTS

Participants may choose any current subject of an agricultural nature for their speeches. This may include the areas of agribusiness, animal systems, plant systems, environmental services, food products and processing, natural resource systems and power, structural and technical systems. A participant will be disqualified if he or she speaks on a non-agricultural subject.

TIME LIMIT

Each speech will be a minimum of six minutes in length and a maximum of eight minutes. Participants are to be penalized one point per second on each judge's score sheet for being under six minutes or over eight minutes. Each participant will be allowed five additional minutes in which he or she will be asked questions relating to his or her speech and/or manuscript content. No time warnings will be given.

PRELIMINARY EVENT

A preliminary event will only be held if there are more than 8 contestants registered for the event and at the discretion of the state FFA advisor and state FFA specialist. If a preliminary event is needed, the top two participants in each room will move on to the final round. The final round will take place 30 minutes following the conclusion of the preliminary round.

Scoring

Prior to the event, the content and composition of all manuscripts will be scored by qualified individual(s) using the manuscript rubric. Manuscript scores will be averaged and supplied to the presentation judges after they have scored the oral presentation.

Presentation judges will be furnished with copies of the participants' manuscripts, which they will use to formulate questions. Questions shall pertain directly to the speaker's subject. Questions containing two or more parts should be avoided.

Event officials will randomly determine the speaking order; unless there are scheduling conflicts with other components of convention (i.e. State Officer Selection Process). They will also ensure that prior to giving the speech, each speaker is properly introduced. A participant will be permitted to use notes while speaking, but deductions in scoring may be made for this practice if it detracts from the effectiveness of the presentation. No props are to be used. Applause shall be withheld until all participants have spoken.

A designated timekeeper will record the time used by each participant in delivering his or her speech, noting under time or over time, if any, for which deductions will be made.

At the time of the event, the judges will use the official rubric to score each participant on the delivery of the speech.

Judges will ask questions at the conclusion of the oral presentation of the speech. Judges will score each participant on the ability to answer all questions asked by judges. The full five minutes for questions should be used.

When all participants have finished speaking, each judge will total the score on composition, delivery and response to questions for each participant. The timekeeper(s) record will be used in computing the final score for each participant. Participants shall be ranked in numerical order on the basis of the final score to be determined by each judge. The judges' score sheets will then be submitted to event officials to determine final ratings of participants.

A participant will be permitted to use note cards while speaking, but deductions in scoring may be made for this practice if it detracts from the effectiveness of the presentation.

The judges' ranking of each participant then shall be added, and the winner will be that participant whose total ranking is the lowest. Other placing will be determined in the same manner (low rank method of selection).

Manuscript	200
Presentation	500
Response to Questions	300
TOTAL POINTS	1,000

TIEBREAKERS

Ties will be broken based on the greatest number of low ranks. Participants' low ranks will be counted and the participant with the greatest number of low ranks will be declared the winner. If a tie still exists, the event superintendent will rank the participants' manuscript score. The participant with the lowest rank from the manuscript score will be declared the winner. If a tie still exists, the participants' raw scores will be totaled. The participant with the greatest total of raw points will be declared the winner.

Awards will be presented to individuals based upon their rankings at the 3rd general session of the New Jersey State FFA Convention.
